His style: “European style fused together with an elegant flair. I love wearing brightly colored ties and socks.”

Style icons: “Giorgio Armani.”

In his closet: “Armani, Brioni, Carolina Herrera, custom-made suits & garments.”

Where he shops: “Bal Harbour, high-fashion stores in Paris, custom tailors, Sawgrass Mills Mall, Colonnade Shops.”

Most prized possession: “I have a couple: my Armani separates and a 100% Capri linen & wool sweater.”

Memorable fashion faux pas: “One time, I was in a rush and put on socks that clashed with the suit I was wearing.”

Must-have for the season: “Blue Mykita sunglasses & blue Ferragamo shoes.”

Style tip: “For the tropics, wear light-weight Super 150 Fabrics. You’ll be cool and never look like the sun will melt you away!”
